

Chinese has been drinking tea for centuries. The art of tea drinking started with Luk Yu. He was abandoned as a child. He, then, was adopted by a Buddhist monk to a temple in West Lake. During the years in the temple, he has learned to write and cook tea. He, then, ran away from the temple to join a troupe. He became successful as a crown and authored books on humor and jokes. He later met the emperor of the time and was appreciated for his talents and ambitions. He then started working on research in tea drinking and poems.

The York Region Senior Wellness Centre is happy to have a Tea Artist to educate our senior on enjoying the artistry of tea drinking as well as a brief introduction on the history of tea drinking

中國人世紀以來一直都有喝的茶習慣。陸羽是茶藝術始創者。他童年時被家人遺棄，後來他給在西湖寺廟中的和尚收餵了。在寺廟年期間，他已經學會了寫作。他逃離寺廟後加入劇團。他成為了一個出色的喜劇演員也撰寫了一些幽默的作品。後來，他有機會見到了當時帝皇。皇帝十分讚賞他的才華和抱負。就此他便在宮中開始研究工作在飲茶和詩歌。

恒福會很高興請有名的藝術師來教導我們的長者如何享受飲茶的藝術以及淺談飲茶歷史，以教育我們的我們的長者。
